**FOR IMMEDIATE RELEASE:**

# **Kitten Showers Bring Meowers!**

## **Spokane Humane Society holds Kitten Shower**

March 30, 2017

This is the time of year that fuzzy, furry bundles of joy begin to arrive by the bushel at the Spokane Humane Society and we need your help right meow!

Saturday April 8<sup>th</sup> at 5:30PM the Spokane Humane Society will be holding its annual Kitten Shower at our shelter location 6607 N. Havana. This Kitten Shower will be filled with baby kitten games, light refreshments, and will be an excellent way to learn more about how to care for baby kittens in need. The Spokane Humane Society will also be collecting donations to help the hundreds of kittens that will enter their care this year, Items needed include: Kitten Milk Replacer (KMR), heating pads, wet kitten food, bottles, small litter pans, Nutrical, mineral oil, pure lemon juice, small blankets, recycled plastic containers (for pet food), Karo syrup, baby rice cereal, small dishes, powdered goats milk, gallon zip lock bag, food scales and baby wipes.

"Foster parents provide temporary care for cats and kittens in their own homes", said Jessica Hogue, Foster Care Coordinator for the Spokane Humane Society. "Some animals need as little as two weeks of care, while others may need care for up to four months."

Each year foster care volunteers save hundreds of baby kittens lives by offering their time, energy and homes to kittens in need and at the same time help to prevent overcrowding in our shelter.

The Spokane Humane Society is a 501c3 non-profit local public charity dedicated to the welfare of companion animals. The Society shelters and cares for companion animals, transfers animals from other animal welfare agencies when they are out of space, operates a low-income spay and neuter clinic and educates the public about humane issues and responsible pet care.
