

our story

The Spokane Humane Society was founded by a group of concerned citizens in 1897. Back then, they looked after the draft horses used to carry heavy loads up Spokane's South Hill.

Today, we take care of more than 5,000 animals each year, mostly dogs and cats in need of compassionate care. Over 124 years, we've provided food, shelter & medical care for pets in need.

When you consider our history over the last century, we are humbled to think of how much private funding we've received from those who care deeply about the welfare of companions in the Spokane community. They thank you, and so do we.

who we are

about us

We are a **private non-profit** serving the public by providing care, shelter and placement into loving homes for lost, neglected, and unwanted animals in the greater Spokane area.

We take extraordinary measures with every animal who enters our care. We can't save all of them some are too sick, or at the end of their life, but we are incredibly proud to say we save over 97%.
