## **Spokane Humane Society Receives Rachael Ray Save Them All Grant from Best Friends Animal Society to Help Save Homeless Pets**

Spokane, WA — Spokane Humane Society is pleased to have received a Rachael Ray Save Them All grant from [Best Friends Animal Society](#) for its behavioral training initiatives to help save more lives of homeless pets living in Spokane.

“This grant allows us to include behavioral training for staff in our work finding forever homes for the homeless pets in our care,” said Kim Reasoner Morin. “Our goal will be to adopt out over 2,000 dogs and cats to loving families. We appreciate the support of Best Friends Animal Society in making behavioral training for our staff possible.”

Spokane Humane Society is an active partner in Best Friends Network which offers help and support to animal rescue groups and shelters that save lives in their communities.

“When you choose to adopt your next pet, you are becoming part of the solution right here in our community,” said Morin.

The Rachael Ray Save Them All Grants is a grant program, administered by Best Friends and funded by The Rachael Ray Foundation™, that provides grants to shelters for euthanasia reduction initiatives. The Rachael Ray Foundation helps animals in need and is funded by a portion of proceeds from each sale of Rachael's pet food, Nutrish®.
