how to adopt

Interested families must meet the animal on-site to complete the adoption process.

adoption center locations:

BARK, A Rescue Pub

Northpointe PetSmart

Spokane Humane Society

Please note, we have requirements for some animals to go home, so you may not be able to take your pet home the same day you meet them. If this is the case, you can place a 3-day-hold for a fee that will go toward your adoption fee upon the day of adoption.
